SUBJECT : DIVISION RESEARCH CONGRESS CUM RESEARCH
COLLOQUIUM

DATE : November 16, 2016

1. The scientific approach in solving work-related problems is consistently regarded essential and appropriate. Research, as a scientific approach, can greatly contribute in understanding the root cause of the problem and adopt the most effective strategy to solve teaching-learning related concerns.
2. Research direction from the central to region and division down to school level is now unified. The Schools Division Office is continuing its initiatives towards strengthening the culture of research in all schools (elementary and secondary). This will ascertain that the researches (Applied and Action Research) will contribute in realizing the mandates of the organization, thus, affirming the real essence of undertaking researches.
3. Cognizant to this, the Schools Division of Nueva Ecija will hold the **"DIVISION RESEARCH CONGRESS CUM RESEARCH COLLOQUIUM"** on December 22, 2016 (Venue will be announced/posted later through DepEd N.E. website) with the theme: **" Access, Quality, and Governance: Strengthening the Culture of Research, Strategy for K to 12 Program"**.
4. The goals of the congress are the following:
 - a. Organize academic gatherings as an avenue for exchange of research outputs
 - b. Develop professional communities of practitioners in various schools equipped with scientific and creative thinking skills.
5. The BERF research recipients and all selected best research projects per category (Div. Memo. No. 227, s. 2016) will be presenting the abstract of their research and they will be recognized as Outstanding Researcher.
6. Districts/Secondary schools are encouraged to contribute in the said activity by showcasing their conducted research (Hard copy) as part of Research Gallery.
7. ASDS, CID/SGOD Chiefs, EPS, SEPS, PSDS, Secondary School Principals, and Research Coordinators are required to attend the said Division Research Congress.
8. For your information, guidance, and compliance.
