**RE: RESEARCH ON THE ENVIRONMENTAL LITERACY OF TEACHERS**

The research associates of the University of Sto. Tomas Research Center for Culture, Education and Social Issues is presently conducting a research on the level of environmental literacy of elementary and junior high school teachers towards the United Nations' goal of sustainable development.

SDO Nueva Ecija was chosen as the study population of the said research. In line with this and as response to the memorandum issued by the Office of Undersecretary Jesus L.R. Mateo, all teachers both elementary and secondary are enjoined to provide assistance by being respondents to the on line survey questionnaire entitled *Environmental Literacy of Teachers*.

The link to access the online questionnaire is <http://bit.ly/2jmAHHX>. The given link will be open for responses from January 23, 2017 until February 8, 2017. For further inquiries and assistance, you may message Dr. Ramil P. Polintan or Mr. Mark Anthony T. Calabano of the SGOD.

For information, dissemination and compliance.
